Otto SKORZENY - 201 file

It was reported on 25 January 1961 that SKORZENY, former German commando leader, is somehow involved in a planned training program which will take place in Spain sometime after 15 March 1961 in which about 30 Katangans will receive training in para-military, anti-Communist activities, and a general political indoctrination. This training program which is being sponsored by economic interests having holdings in Katanga will be under the overall charge of a Spanish colonel or general, the actual training being conducted by Spanish and Rumanian officers. (Source of SKORZENY's involvement is [] a KUBARK case officer, assigned temporarily to the same type of program which has been going on in Switzerland since October 1960.)
